# Insect Facts

Take notes using your own words  
Keyword facts

<p>What it looks like:</p>	
<p>What it eats:</p>	
<p>Where it lives:</p>	
<p>What it does:</p>	
<p>How is it special?</p>	

Visit the site called **Enchanted Learning**. You will get to know more about insects and choose one to do your slide show about. You'll notice that this site has excellent drawings, which you should copy for your slide show. Read carefully and find out about your insect's life cycle and habitat.

**I found out!**

My slide show is going to be about \_\_\_\_\_.

The stages of its life cycle are \_\_\_\_\_

\_\_\_\_\_

It lives \_\_\_\_\_

Here is a scientific illustration that I drew and labelled for practice.
