Office of the Superintendent of Schools

February 24th, 2010

As many of you know and as has been emailed out and put on our district website, senior staff have finalized our list of principals and vice-principals for the 2010-11 school year and tonight shared those plans with the Board of Education.

This year, there are a number of moves that have largely been the result of four things:

- Vacancies due to retirement (3);
- Leaves of absence for a full year or more (2);
- Existing principals who have requested a move to a new school via an Expression of Interest; and
- Reduction in administrative time due to declining enrolment.

We wish to congratulate Mike McComb, Andy Redekop and Clyde Woolman, on their retirement announcements and Erica Black, Geoff Manning, and Barb Robertson for being successful in the move to a principalship through competition. We also want to send our well wishes to Rob Grantham and Lyneita Swanson who will be taking leave. Both of them have exciting plans for the time ahead with family. We look forward to Rob and Lyneita's return to our management team.
