<i>Earthquake Baggies: Please return to your child's classroom on the specified date in October (notice will be on the October calendar and in the newsletter). If you are new to the school, please supply a SMALL plastic baggie containing the following: a note from parent/guardian reassuring the child in case of an emergency situation, a photograph, an extra small supply of any special medication that child may need including a small food supply in case of food allergies. Your child's name should be printed on the outside of the baggie. These are placed inside the earthquake kit in your child's classroom.</i>
