INDOOR AIR QUALITY COMPLAINT FORM

This Form Does Not Replace WorkSafe BC Form 6A
This Form is to Trigger an Indoor Air Quality Investigation by Maintenance

Please fill out this form to make a complaint related to Indoor Air Quality (IAQ). IAQ complaints include concerns about temperature, ventilation and air pollutants.

All Indoor Air Quality complaints must be submitted using this form and returned to the District Health and Safety Officer as soon as possible. We will respond as quickly as possible upon receipt of this completed form.
