HIRING of EXCLUDED STAFF

The Board of Education of School District No. 71 (Comox Valley) wishes to ensure that the most suitable candidates are hired for management or excluded positions, and that a consultative process is used in hiring.

Further, the board is committed to a fair selection process and to providing equal employment opportunity for all individuals in every aspect of its personnel policy and practice, including recruitment, selection and promotion.

The regulation accompanying this policy specifies the process for hiring management or excluded personnel.
