

SCHOOL DISTRICT NO. 71 (COMOX VALLEY)

POLICY MANUAL

POLICY:	8002
Date:	April 22, 2008
Revision:	1

DEDICATION and NAMING of SCHOOL FACILITIES, PARTS of FACILITIES and/or SITES

The board of education believes that the naming of school sites and facilities can enhance the ownership and identification that the community has with its school. The name chosen should serve to readily identify the school or site on a provincial basis while recognizing the local importance of the institution.

The naming of a school site or facility should be an inclusive process that reflects the desires of the school and surrounding community.
